Dear Mr Bitton

Re: BAUS Membership Records

We are updating our membership records. A sheet is attached showing the details we hold for you. If there are any corrections or additions to be made please mark them clearly on the sheet and return it to us. Alternatively you can email changes to us (membership@baus.org.uk) but please quote your membership number, state clearly what is currently recorded and what you want it changed to and please supply a daytime phone number so we can easily contact you if we have any queries.

In future we will not be printing a BAUS members' handbook but we will make a pdf version of the handbook available in the members' area of the website. We also plan to develop a new BAUS website next year and we hope to include a members' directory so it is important that our records are accurate and up-to-date.

Please note we hold one email address for you on our membership system. In addition to using that address for any e-updates or briefings we send out your email address is your username for access to the members' area of the website.

Yours sincerely

Tim Terry
Honorary Secretary
